

Cookies Policy

Cookies are files that are saved on your computer with the sole purpose of simplifying your navigation on: www.vicort.com (these cookies cannot contain viruses or be executed, as they are not active files). Allow: Improve your browsing experience. These cookies can only be read by vicort.com and you, and you can delete them if you wish. If you do not wish to receive cookies, you can configure your computer to notify you whenever you receive a cookie or disable all cookies through your query program (Internet Explorer or Firefox for example). (See the Help menu of your query program for the correct way to change or update cookies). If you disable cookies, you may not be able to access some of the site's functions. Through their settings, most browsers allow you to have some control over most cookies. For more information about cookies, including what cookies have been set and how they can be managed and deleted, visit www.allaboutcookies.org. If you do not want your website visits to be detected by Google Analytics, go to <http://tools.google.com/dlpage/gaoptout>.
